

## **For Males Ages 18 through 25**

As a result of Act 372 of the 1999 Legislature, male U.S. citizens and male permanent resident aliens living in the U.S. who are ages 18 through 25 may not be employed in any position unless they are in compliance with the laws which require that they are registered with the Selective Service. (Generally, international employees on F, H, or J visas are not required to register.)

Employment will not be allowed until verification of registration is provided .

If you have not registered with the Selective Service, go to their website at [www.sss.gov](http://www.sss.gov) and click on the “Register Online” icon.
