St. Martin Parish Livestock Show Results

The St. Martin Parish 4-H & FFA Livestock Show was held on January 23-24, 2015 at the St. Martin Parish Livestock Show Barn on the Breaux Bridge High School campus.

Twenty-seven 4-H members exhibited a total of 53 beef, dairy, sheep, goat, and swine animals.

The livestock projects (1) are tools for the development of life skills by 4-H and FFA members, (2) provide an opportunity to expand their knowledge of livestock production and management, (3) improve and enhance livestock production in Louisiana. Therefore, the purpose of the 4-H livestock program is to provide opportunities for young people to develop character and life skills. Character traits identified are: leadership, respect, trustworthiness, responsibility, fairness, caring, honesty, integrity, self-esteem, and citizenship. Youth develop life skills and character traits when they are involved in each phase of the livestock project from selection through the show ring.
