

PARALLEL PARKING

CONTESTANT NAME: _____

PARISH: _____

CONTESTANT NUMBER: _____

Procedure: Contestant will parallel park on the right side of a street. One parking space will be laid out as shown above. Drivers are allowed only one reverse and one forward movement while parking and in leaving parking space. Drivers must have car in center of parking space, equal distance from both the front and rear tape. All other changes in direction will cost the driver points. After measurements are recorded, contestant will activate turn signal, check for oncoming traffic, pull out of parking space and drive to lane change exercise.

SCORING PROCEDURE	NUMBER OF TIMES	PENALTY POINTS
1. Each instance of rough or jerky starts or rough, severe braking.	_____	X3 _____
2. Each instance of opening door for better observation.	_____	X5 _____
3. Each instance of more than one reverse and forward move while parking.	_____	X10 _____
4. Each instance of more than one reverse and forward move while exiting.	_____	X10 _____
5. Each instance of stopping and backing to avoid striking a marker.	_____	X3 _____
6. Each instance of striking or upsetting cones.	_____	X50 _____
7. Each instance of tire rolling over front or rear parking space (tape).	_____	X5 _____
8. Each instance of tire touches curb.	_____	X3 _____
9. Each instance of tire rolling completely over curb.	_____	X20 _____
10. Car off-center in parking space lengthwise (to nearest inch).	_____	X1 _____
11. Front tire is more than 6 inches away from curb (to nearest inch).	_____	X1 _____
12. Rear tire is more than 6 inches away from curb (to nearest inch).	_____	X1 _____
13. Other unsafe practices (list below).	_____	X10 _____

TOTAL PENALTY POINTS _____

Other unsafe practices, list here:

LANE CHANGE

CONTESTANT NAME: _____

PARISH: _____

CONTESTANT NUMBER: _____

Procedure: Contestant will drive in a straight line, activate turn signal, check for oncoming traffic, make a lane change to the left and continue to drive in a straight line.

SCORING PROCEDURE	NUMBER OF TIMES	PENALTY POINTS
1. Each instance of stalling or racing engine.	_____ X3	_____
2. Each instance of rough or jerky starts or rough, severe braking.	_____ X2	_____
3. Each instance of opening door for better observation.	_____ X5	_____
4. Each instance of failure to activate turn signal and check for oncoming traffic as listed in <u>procedure</u> above.	_____ X10	_____
5. Each instance of stopping or interrupting continuous movement of vehicle, where not required in course layout.	_____ X5	_____
6. Each instance of striking or upsetting a marker.	_____ X20	_____
7. Each instance where any portion of the vehicle extends over a border limit line.	_____ X2	_____
8. Other unsafe practices (List below)	_____ X10	_____
TOTAL PENALTY POINTS		_____

ALLEY DOCK

CONTESTANT NAME: _____

PARISH: _____

CONTESTANT NUMBER: _____

Procedure: Contestant will back a circle into space 8' feet wide, set transmission in PARK, apply parking brake, and wait for judge's signal to proceed.

SCORING PROCEDURE		NUMBER OF TIMES	PENALTY POINTS
1.	Each instance of stalling or racing engine.	_____	X3 _____
2.	Each instance of rough or jerky starts or rough, severe braking	_____	X2 _____
3.	Each instance of opening door for better observation.	_____	X5 _____
4.	Each instance of failure to follow instructions in <u>procedure</u> above.	_____	X5 _____
5.	Car off-center in alley dock (measure from side to side to the nearest inch).	Front	X2 _____
		Rear	X2 _____
6.	Rear bumper more than 6 inches away from rear boundary (to the nearest inch)	_____	X1 _____
7.	Each instance of striking or upsetting a marker.	_____	X50 _____
8.	Stopping or interrupting continuous speed of vehicle where not required in course layout	_____	X10 _____
9.	Unnecessary changes in direction	_____	X5 _____
10.	Other unsafe practices(List Below)	_____	X10 _____
TOTAL PENALTY POINTS			_____

STRAIGHT LINE DRIVING

CONTESTANT NAME: _____

PARISH: _____

CONTESTANT NUMBER: _____

Procedure: Contestant will drive vehicle through poles spaced 6" wider than car width.

SCORING PROCEDURE	NUMBER OF TIMES	PENALTY POINTS
1. Each instance of stalling or racing engine.	_____	X3
2. Each instance of rough or jerky starts or rough, severe braking.	_____	X2
3. Each instance of opening door for better observation.	_____	X5
4. Each instance of failure to follow instructions.	_____	X5
5. Each instance of stopping or interrupting continuous movement of vehicle, not required in course layout.	_____	X3
6. Each instance of striking or upsetting a marker.	_____	X20
7. Other unsafe practices (List below)	_____	X10

TOTAL PENALTY POINTS _____

SERPENTINE DRIVE

CONTESTANT NAME: _____

PARISH: _____

CONTESTANT NUMBER: _____

Procedure: Contestant will drive forward through the serpentine layout passing on the left side of first center pole, then back through serpentine, going on opposite sides of center poles.

SCORING PROCEDURE	NUMBER OF TIMES	PENALTY POINTS
1. Each instance of stalling or racing engine.	_____	X3 _____
2. Each instance of rough or jerky starts or rough, severe braking.	_____	X2 _____
3. Each instance of opening door for better observation.	_____	X5 _____
4. Each instance of failure to follow instructions.	_____	X5 _____
5. Each instance of stopping or interrupting continuous movement of vehicle, not required in course layout.	_____	X10 _____
6. Each instance of striking or upsetting a marker.	_____	X20 _____
7. Other unsafe practices (List below)	_____	X100 _____
8. Each instance where any portion of the vehicle extends over a border limit line.	_____	X10 _____
9. Failure to drive through the course in prescribed manner.	_____	X100 _____
10. Other unsafe practices (List below)	_____	X10 _____

TOTAL PENALTY POINTS _____

List any unsafe practices noted:
