## *Camp 8—July 16-20, 2012*

One hundred forty-two youth from Lafayette Parish celebrated “We’re WILD about 4-H Camp!” That was the theme of the summer 2012 4-H camping experience. It was held at the LSU AgCenter’s Grant Walker 4-H Educational Center in Pollock, Louisiana the week of July 16-20, 2012. Approximately 425 total youth, agents and volunteers from Avoyelles, Calcasieu, Lafayette, St. Helena, Washington, and Vernon Parishes.

4-H Camp, an educational program of the LSU AgCenter, strives to develop a variety of life skills related to head, heart, hands and health at one-week summer camp sessions. Each year thousands of youth from Louisiana visit 4-H summer camp. The summer camp program is for 4th-6th graders.

Each day the counselors select a “Character Camper of the Day” from the recreation groups. The individual has been a model citizen by having done something positive, helped someone or something to make another person’s day!
