

POULTRY DIVISION

BROILERS

Superintendent: David Boldt

Entry Deadline: January 13, 2023

Special Rules

Dead broilers will not be judged. If a broiler dies during judging, the pen will retain its current ribbon group placing. However, the pen will not be able to place any higher than its placing at the time of death. (Bird substitutions will not be allowed.)

Exhibitors must be present and part of the group when their pen of birds is presented to be evaluated by the official judge. (In the past exhibitors were only required to be present during the championship judging.)

- A. An exhibitor may enter one pen of pullets and/or one pen of cockerels. This same exhibitor may also enter standard bred and bantam poultry (see special rule for bantam and standard bred poultry).
- B. An entry must consist of three broilers (either three pullets or three cockerels).
- C. The entry should weigh at least 9 pounds at the stateshow.
- D. After broilers have met the federal and state quarantine and interstate regulations (Rule I) as determined by the LDAF official present, exhibitors are to pick up their check-in sheets and coop their birds in the assigned coops. Exhibitors are responsible for writing the leg band numbers on their coop tags (which are already on their coop) and check-in sheets (which must be given to the Poultry Superintendents).
- E. Immediately after the broiler check-in deadline, Poultry Superintendents will disqualify mixed pens of broilers (i.e., pens with a cockerel in a pullet pen; pens with a pullet in a cockerel pen).
- F. Only birds entered and qualified for the show will be penned in the poultry exhibit area. No extra birds will be permitted in the Poultry Barn.
- G. All entries in the poultry show must be leg banded with a tamperproof band, provided by the LSU AgCenter Livestock Show, prior to entering the poultry barn at the livestock show. These bands must be ordered from the Livestock Show Office. Agents and FFA Advisors will need to request bands and pick them up at the Livestock Show Office prior to the show. No bands will be mailed.
- H. The entry must have been purchased through the LSU AgCenter Louisiana Cooperative Extension Service, School of Animal Sciences and must have been grown by the exhibitor.
- I. Each bird participating in the event must meet federal and state quarantine and interstate regulations. Each bird brought to the show must have the following papers: (1) An individual health certificate, including premises identification number, dated within 60 days of the show, indicating the bird is free of disease and has been tested free of *Salmonella pullorum* and *Salmonella gallinarum* within the last 60 days; (2) VS Form 9-2 (bird or flock) attached to the health certificate; (a) indicating the bird is free of *Salmonella pullorum* and *Salmonella gallinarum* (pullorum and typhoid) dated within 60 days prior to the show or (b) indicating the flock of origin is under the National Poultry Improvement Plan (NPIP) and is free of *Salmonella pullorum* and *Salmonella Gallinarum* (pullorum and typhoid) dated within the past year; (3) Identification of each bird is recommended, for example, by leg or wing band, with the identification listed on the VS 9-2 form; (4) Recommend Avian Influenza testing for each bird; (5) Each bird brought to the show must indicate on the health certificate the physical location of origin and return destination for 30 days prior to and after the show.
- J. At the state show, there will be one (1) overall Champion pen and one (1) overall Reserve Champion pen. The pullets and cockerels will compete against each other for the overall Champion and Reserve Champion.
- K. All broilers must be removed from the poultry barn by 7:00 p.m., Wednesday, February 15, or ownership will transfer to the Livestock Show Office.
- L. At the state show, the top 15 pens of pullets and the top 15 pens of cockerels will be ranked in order of one through 15 respectively and given awards and/or premiums.
- M. Broiler Showmanship
 1. Open to all 4-H and FFA members with entries in the broiler division.
 2. Exhibitors will show one (1) broiler
 3. The broiler showmanship contest will be held at 1:00 p.m., Tuesday, February 14, 2023.
 4. Broiler showmanship sign-up will be from 9:00 a.m. to 12:30 p.m. on Tuesday, February 14, 2023. Exhibitors must sign up at the Poultry Barn.
 5. The eligibility of the exhibitor in the respective showmanship classes will be determined by the exhibitor's age as of January 1, 2023.
 6. Showmanship competition will consist of three (3) divisions: Senior (15 years old and older), Intermediate (12 to 14 years old), and Junior (11 years old and younger). The show order will be determined day of show.

EXHIBITION POULTRY

Superintendent: David Boldt

Entry Deadline: January 13, 2023

Arrival Deadline: 2:00 p.m. Saturday, February 11, 2023

Judging: 8:00 a.m. Sunday, February 12, 2023

Release Time: 4:00 p.m. - 6:00 p.m. Sunday, February 13, 2023

NOTE: Poultry Exhibit Room will be locked each night as scheduled and opened each morning at 7:00 a.m. NO ADMISSION except in emergency.

NOTE: Exhibitors must be present when checking in and must sign off on their check in sheet at the show table before cooping in birds

Special Rules

- A. The American Standard of Perfection shall be the guide in awarding premiums, with all entries judged by comparison.
- B. The exhibitor must have possession of birds by November 7, 2022, whether hatched or purchased.
- C. **At the state show an exhibitor may exhibit a maximum of three varieties of poultry; however, an exhibitor may only exhibit a maximum of two varieties of bantams. The maximum varieties may be exhibited as follows: two varieties of bantams, two varieties of bantams and one variety of standards, two varieties of standards and one variety of bantams, or three varieties of standards. In addition, each exhibitor may show two (2) pens of broilers.**
- D. An exhibitor may exhibit no more than two cocks, two hens, two cockerels or two pullets of any variety.
- E. The following definitions shall apply:
 - 1. Cock - male bird 12 months of age or older.
 - 2. Hen - female bird 12 months of age or older.
 - 3. Cockerel - male bird less than 12 months of age.
 - 4. Pullet - female bird less than 12 months of age.
- F. Entry application must state the type (bantam or standard bred), breed and variety for appropriate sex correctly to be able to show.
- G. A poultry exhibitor may offer birds shown or exhibited for sale by private treaty only after the show's conclusion.
- H. All entries in the exhibition poultry show must be leg banded with either a band provided by the exhibitor or a tamperproof band, provided by the LSU AgCenter Livestock Show, prior to coming to the livestock show. These bands must be ordered from the Livestock Show Office. Agents and FFA advisors will need to request the bands and pick them up at the Livestock Show Office prior to the show.
- I. Those exhibiting poultry will do so at their own risk. Poultry will be given special attention and care taken to return them in good condition to owners. **Birds showing any symptoms of disease, sickness, and/or parasites will be removed immediately from the showroom and not considered for awards.** Birds remaining in the Poultry Barn after release time will be the sole responsibility of the exhibitor.
NOTE: Exhibitors are responsible for feeding and watering their birds. The livestock show does not furnish feed.
- J. Only birds entered and qualified for the show will be penned in the poultry exhibit area. No extra birds will be permitted in the Poultry Barn without permission of the superintendent.
- K. The livestock show will not be responsible to furnish coops or rooms for birds not on exhibit.
- L. Each bird participating in the event must meet federal and state quarantine and interstate regulations. Each bird brought to the show must have the following papers: (1) An individual health certificate, including premises identification number, dated within 60 days of the show, indicating the bird is free of disease and has been tested free of *Salmonella pullorum* and *Salmonella gallinarum* within the last 60 days; (2) VS Form 9-2 (bird or flock) attached to the health certificate; (a) indicating the bird is free of *Salmonella pullorum* and *Salmonella gallinarum* (pullorum and typhoid) dated within 60 days prior to the show or (b) indicating the flock of origin is under the National Poultry Improvement Plan (NPIP) and is free of *Salmonella pullorum* and *Salmonella Gallinarum* (pullorum and typhoid) dated within the past year;
(3) Identification of each bird is recommended, for example, by leg or wing band, with the identification listed on the VS 9-2 form; (4) Recommend Avian Influenza testing for each bird; (5) Each bird brought to the show must indicate on the health certificate the physical location of origin and return destination for 30 days prior to and after the show.
- M. Exhibition Poultry Showmanship
 - 1. Open to all 4-H and FFA members with entries in the exhibition poultry division.
 - 2. The exhibition poultry showmanship contest will be held at 1:00 p.m. on Saturday, February 11, 2023.
 - 3. Exhibitors must show their own bird that is registered in the show.
 - 4. Exhibition poultry showmanship sign up will be from 9:00 a.m. to 12:30 p.m. on Saturday, February 11, 2023. Exhibitors must sign up at the Poultry Barn.
 - 5. The eligibility of the exhibitor in the respective showmanship classes will be determined by the exhibitor's age as of January 1, 2023.
 - 6. Showmanship competition will consist of three (3) divisions: Senior (15 years old and older), Intermediate (12 to 14 years old), and Junior (11 years old and younger). The show order will be determined day of show.Entries will be accepted on the following breeds and varieties:
